Happy New Year!

Welcome to the first newsletter of 2024, marking the beginning of an exciting year of growth and collaboration for Apra IN. I am excited to share our plans for the year, shaped by insightful discussions during our recent board retreat.

Upcoming Events: Our focus for the year ahead revolves around increased engagement with you, our valued members. The board has meticulously planned the spring and winter conferences, along with quarterly webinars. Please keep an eye out for more details on these events as they approach. The conference dates and the first webinar are already set, conveniently listed in the column to the left of this message.

Communication is Key: This year, we aim to elevate our communication within the Apra IN community. Your feedback and ideas are crucial to us. To facilitate this, we have expanded our programming committee, a dedicated team committed to ensuring we bring you the best speakers, events, webinars, and updates throughout the year.

Get Involved: We encourage you to reach out and share your thoughts. What topics would you like to learn more about? How can we better serve your needs? Our programming committee is here to listen. Feel free to connect with me at any time via email at steve@dickersonbakker.com or by phone at 317-690-2232. Your input is invaluable, and I look forward to hearing from you.

As we embark on this journey together, let's make 2024 a year of enriching experiences, shared knowledge, and strengthened connections within the Apra IN community.
